MOBILE POPMONEY QUICK GUIDE

FOR A FAST AND EASY WAY TO SEND MONEY TO FAMILY, FRIENDS OR ANYONE YOU KNOW. POPMONEY IS AN EASY WAY TO SEND AND RECEIVE MONEY IN AS EARLY AS ONE BUSINESS DAY.

To send money, open the app and select Payments tab, then select "Pay a Person."

For those you have paid before, simply select how to notify them, either "email" or "phone." If it's a new person, you can either add by entering information or by importing from your phone's contacts.

Enter the amount and a message, select a delivery speed, "Standard" or "Express."

Finally, review the details and select Confirm.

The confirmation page will verify that your transaction is complete.
